MY BIBLE PROPAGANDA SERIES
End Time Drone Events to Prepare For

Once again, the Bible is very illusive and because of that we have every Tom Dick and Harry trying to decide what is being said in the Bible. Now that can be a good thing if people who make comments about prophetic events DO THEIR HOMEWORK and use various methods to detect what the Bible is saying such as science, archeology, geology, technology and legends etc., about these subjects. Unfortunately they don't. With prophecy you also have to look at current events in order to decipher what is being said.

The Bible is full of hidden symbolism's, double meanings, encoded words and language that varies from tribe to tribe. Each culture has different names for the same thing, etc.

Each culture defines what was going on from different religious perspectives so it is not that simple to determine what is being said in the Bible not to mention that so much of what is being said is fraudulent data. Trying to figure out what is being said in these texts is a real can of worms.

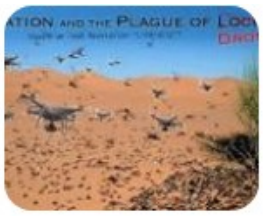
<u>TODAY THERE IS A BIG PUSH TO USE DRONES TO ATTACK TARGETS IN IRAN AND MIDDLE EAST BUT WE HAVE ALSO SEEN THEM IN OUR SKIES IN AMERICA and no one knows who is flying them</u>



While some interpreters suggest the locusts of Revelation could be a metaphorical reference to modern technology like drones, this is a speculative interpretation rather than a universally accepted one. The description of the locusts—like horses prepared for battle with human faces and iron breastplates—is seen by proponents as a comparison John would have used for advanced machines, like drones designed for torment. However, other interpretations suggest the locusts are symbolic of demonic entities, a demonic army, or literal demonic locusts released from the abyss.

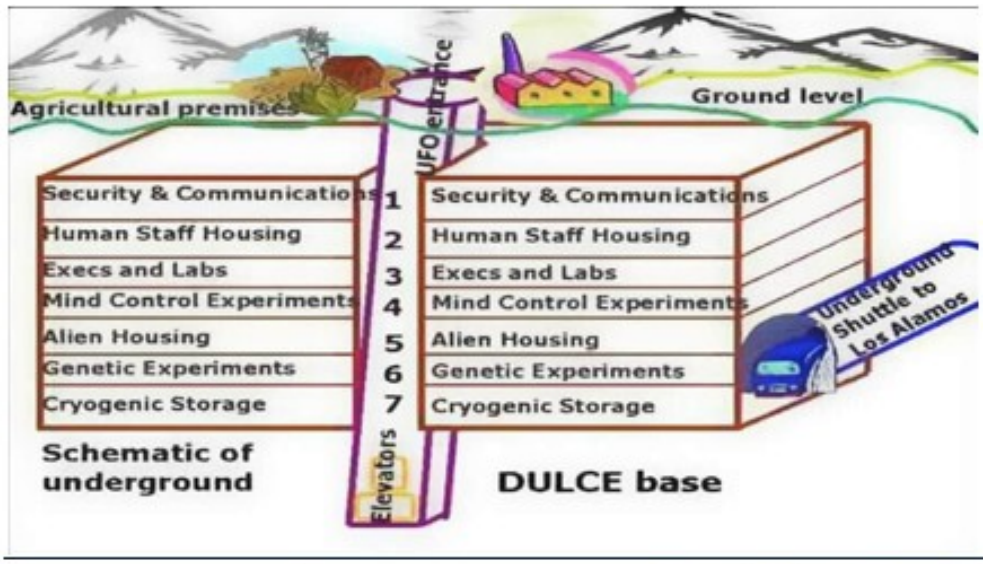
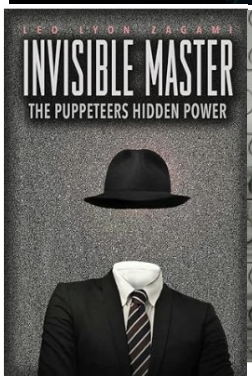
- **Swarm Density:** A single square kilometer of a locust swarm can contain up to 80 million insects, consuming as much food in one day as 35,000 people. LibyaReview
- **Impact on Crops:** These swarms pose a severe threat to food security by devouring vegetation, including grain crops and vegetables. LibyaReview +1
- **Conditions for Swarming:** Locusts typically live as solitary insects but can congregate and swarm when weather conditions, such as heavy rainfall followed by drought, cause vegetation to bloom and then dry up. Smithsonian Magazine +1

The primary Bible verses about locusts in Revelation are found in **Revelation 9:1–11**, describing a plague of demonic locust-like creatures released from the bottomless pit during the sounding of the fifth trumpet. These creatures are described as having power like scorpions to torment those without God's seal for five months. Reddit · r/AskAChristian +4



BOTTOM LESS PIT

This symbolism seems to be telling us that these Locust/flying machines are coming out of the inner earth and are being operated by the DEEP STATE and ALIENS (messengers of the gods aka angels). Admiral Byrid met the lead alien in an underground alien Nazi base in Antarctica who is known as "the Master."



"Consciousness grenade" explodes across the planet as the mass awakening accelerates

One of the most important realizations emerging from the fake Ottawa "police" (many of whom turned out to be UN troops with no legal authority whatsoever) is that the globalist cabal doesn't have enough people to carry out their tyranny. They have to recruit mercenaries from other regions and pay them to brutalize the local people under tyrannical authoritarianism.

In a way, this is actually good news since it reveals how thin the globalists' ranks are when it comes to finding minions who will carry out their nefarious plans to crush dissent and enslave humanity. It turns out that most people won't go along with pure evil once they finally recognize it.

Once the critical mass of awakening is achieved, the globalist cabal will be outnumbered 1000 to 1 by informed, courageous, pro-liberty citizens of the world who will dismantle the global prison planet grid and remove the tyrants from power.

Mystery Drone sightings all over the Country. Can this really be happening without our government's knowledge. I don think so! Let the public know, and now. Otherwise, shot them down!!! DJT

It appears by this note above from Trump that he did not know who was flying the drones originally but found out. He is holding up the Ace of Spades below to show that he is on to them and that they are not going to win.

As Werner Von Braun stated, A FAKED ALIEN ATTACK will be the last card that they play today to install their NEW WORLD ORDER.

TRUMP IS IN A DEFENSIVE MODE NOW REGARDING DRONES and wants the DEEP STATE to know that the DEEP STATE is NOT GOING TO BE ABLE TO PLAY THEIR CARD. That he has control over their CARD AND HAS THEIR NUMBER.

Key Verses (Revelation 9:3-10, NKJV)

- **3:** "Then out of the smoke locusts came upon the earth. And to them was given power, as the scorpions of the earth have power."
- **4:** "They were commanded not to harm the grass of the earth, or any green thing, or any tree, but only those men who do not have the seal of God on their foreheads."
- **7-9:** "The shape of the locusts was like horses prepared for battle... Their faces were like the faces of men. They had hair like women's hair, and their teeth were like lions' teeth. And they had breastplates like breastplates of iron, and the sound of their wings was like the sound of chariots with many horses running into battle."
- **10:** "They had tails like scorpions, and there were stings in their tails. Their power was to hurt men five months."

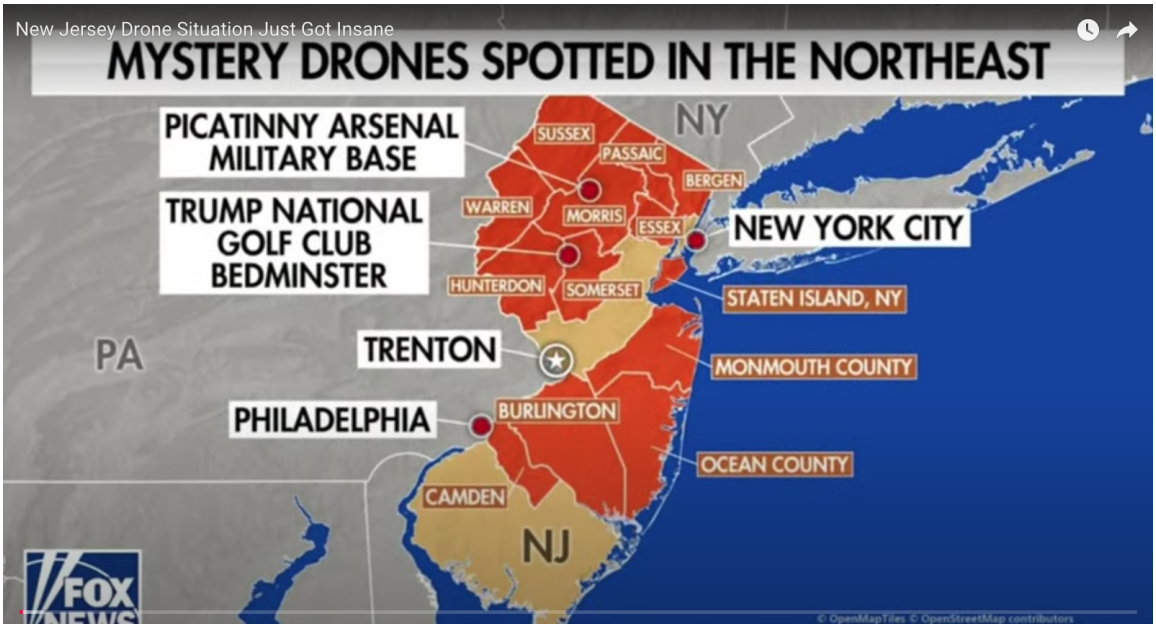
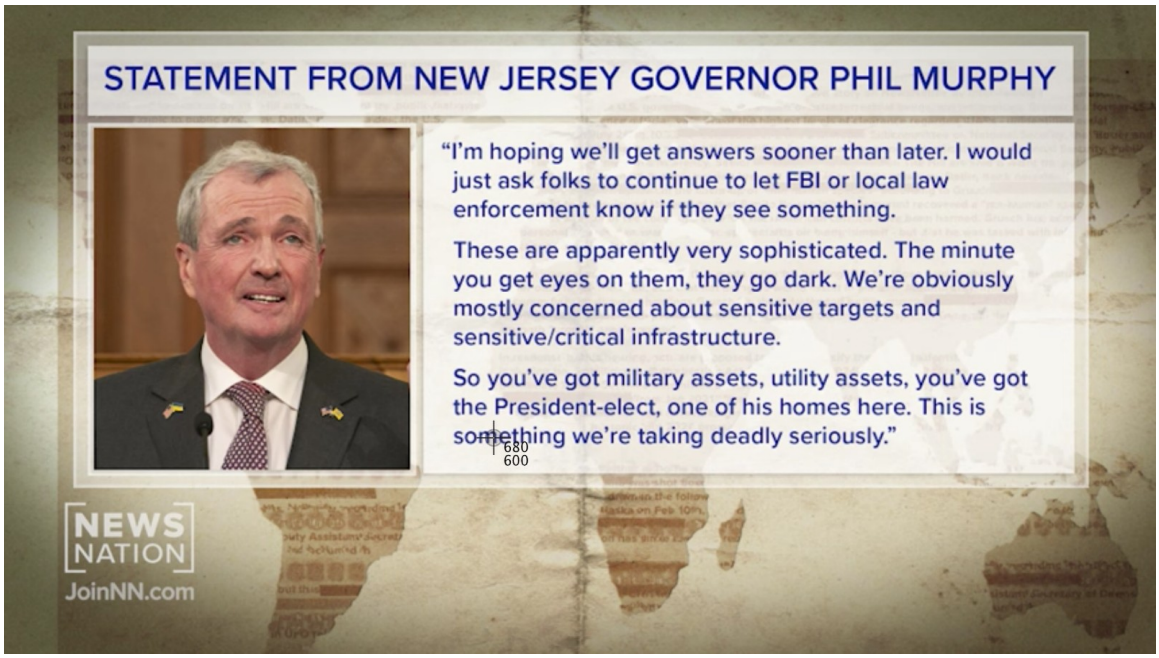
MYSTERIOUS DRONE SITINGS IN AMERICA

WHO WAS FLYING THEM AND WHY PEOPLE ASK?



PEOPLE WANT TO KNOW "WHAT'S GOING ON"



STATEMENT FROM NEW JERSEY GOVERNOR PHIL MURPHY
"I'm hoping we'll get answers sooner than later. I would just ask folks to continue to let FBI or local law enforcement know if they see something.
These are apparently very sophisticated. The minute you get eyes on them, they go dark. We're obviously mostly concerned about sensitive targets and sensitive/critical infrastructure.
So you've got military assets, utility assets, you've got the President-elect, one of his homes here. This is something we're taking deadly seriously."

As of 2025–2026, the Trump administration focused on strengthening domestic drone production, tightening airspace security against "strange" and threatening foreign drones, and easing regulations for commercial, beyond-visual-line-of-sight (BVLOS) operations. Key actions include restricting drones near critical infrastructure and banning certain foreign-made drones. The White House (.gov) +3

Key Drone Policies and Actions

- **Airspace Sovereignty:** In June 2025, President Trump signed an executive order to protect national security, establishing a task force to review drone threats and increasing enforcement against illegal operations.
- **Security Restrictions:** The administration proposed rules to create "drone-free zones" over sensitive, critical infrastructure.
- **Domestic Industry Focus:** Policies aim to boost U.S. manufacturing of drones and prioritize buying from American companies, specifically reducing reliance on foreign-made systems, as reported by.
- **Regulatory Changes:** The administration moved to normalize "beyond visual line of sight" (BVLOS) operations to foster commercial innovation and speed up drone integration, according to.
- **Stadium Safety:** Legislation was signed in December 2025 allowing local law enforcement to disable drones over stadiums. The White House (.gov) +6

Positions on Drone Issues

- **New Jersey Drone Sightings:** In late 2024, then-President-elect Trump stated that the government knew the origin of "mysterious" drones over the eastern US, accusing them of trying to keep the public in "suspense".

Shadow Government

Recent prophetic warnings, particularly circulating in early 2026, focus on drones as instruments of surveillance, war, and deception. These messages often intersect with technological advancements, geopolitical tensions in the Middle East, and interpretations of biblical scripture.

Locusts in prophecy symbolize divine judgment, devastation, and the "Day of the Lord," representing both literal, catastrophic plagues and symbolic, demonic armies. In the Bible, they appear as a destructive force, often bringing a nation to ruin to signify God's punishment. GotQuestions.org +2

Key Prophetic Appearances

- **Book of Joel (1:4, 2:1-11):** Locusts represent an invading army destroying the land, symbolizing a severe, impending judgment on agriculture and society. GotQuestions.org +1
- **Book of Revelation (9:1-11):** Known as "demonic locusts" or "scorpion locusts" emerging from the Abyss, they are described as an end-times plague, commanded by Abaddon (the Destroyer) to torment those without the seal of God. Marc Sims +2
- **Jeremiah (46:23):** Used as a metaphor for an overwhelming,,countless enemy army.

Symbolism and Meaning

- **Divine Justice:** They are manifestations of God's wrath on wicked nations, often depicted with horse-like characteristics (strength) and scorpion-like tails (torment). Marc Sims +3
- **Repentance Call:** They often appear in scripture to call people back to God, demanding repentance, especially in Joel.
- **Symbolic Interpretation:** While historically literal insects, many theologians interpret them symbolically as human armies or demonic, supernatural forces. GotQuestions.org +1

It appears that these drones will be coming out from the bottomless pit, which is a metaphor or symbolic code word for the inner earth. It appears they will also be spreading plagues.

Instead of Crop dusting they will be people dusting with plagues

IS THIS A MOSQUITO?
No. It's an insect spy drone for urban areas, already in production, funded by the US Government. It can be remotely controlled and is equipped with a
on you and it may have the potential to take a DNA sample or leave RFID tracking nanotechnology on your skin. It can fly through an open window, or it can attach to your clothing until you take it in your home.

In prophetic literature, particularly in the Bible, a "locust warning" signifies a coming period of devastation and judgment from God, often representing a large-scale destruction that will consume everything in its path, usually used as a metaphor to warn people to repent and return to God before such calamity strikes; the most prominent example is found in the Book of Joel, where a locust plague is described as a sign of divine wrath against the people of Judah for their sins.
